OFFICE OF THE
PLAGUE COMMISSIONER IN MYSORE.
DATED BANGALORE, 24th January 1901

No. 3194
En: 2

From

THE PLAGUE COMMISSIONER IN MYSORE.

To The Secretary to the Government of Mysore,
General and Revenue Departments

SIR,

I have the honor to forward herewith with my remarks in the margin copy of a memo: received from the Chief Plague Officer Mysore City through the Deputy Commissioner, Mysore District, together with copy of the proposition statement therewith received, containing proposals for the reorganization and reduction of Plague Establishments in the Mysore City and to state that I entirely agree with the proposals made by

by the said officers. The result of these proposals is that the Establishment which now costs Rs 6,180/- per mensem will from the 1st Proximo be reduced to Rs 1,313, of which Rs 1,119-8-0 will be borne by the Municipality and Rs 193-8-0 from Provincial (Plague) funds.

No Health Officer has been appointed for the Municipality.

I have the honor to be,
Sir
Your most obedient Servant

A. Ramaya

For Plague Commissioner
in Mysore

1/ Enclosure to S. 1 4

Memorandum.

Head clerk on	Rs 25/-
Statistical clerk	Rs 20/-
Mutsaddi	Rs 15/-
Duffedar	Rs 8/-
3 Peons at 6 Rs	18/-

Remarks of the Plague Commr

"Government will have to appoint a Health Officer in consultation with the Senior Surgeon. The pay to be met from Provincial funds and the allowance, if any, to be provided from Municipal funds. The allowance may be Rs 100 or 150 Rs as may be decided by the Senior Surgeon."

Mysore Dy Commissioner's Remarks.

"The Hospital Assistants in charge of Municipal Dispensaries may, for the present, be appointed as Registrars

The Chief Plague Office to be abolished, and the duties pertaining to the present Chief Plague Officer to be performed by a full time Health Officer appointed by the Municipality. The Health Officer will work under the orders of the President. He will be provided with Office Establishment as shown in the margin.

2. The Ward Offices and the Establishments pertaining thereto including the Supervisors, to be abolished and in lieu of them Registrars to be appointed.

1 Registrar for Nazerbad & Ittigepud
1 — Do — Lashkar Mohalla
1 — Do — Mandy — do —
1 — Do — Krishnaraj — do —
1 — Do — Chamaraj — do —
1 — Do — Devaraj — do —
1 — Do — Fort.
1 — Do — Kamegowdan Koppal, Padavarhalli and Outikoppal.

The Hospital Assistant in charge of the Nazerbad Dispensary to be the Registrar of Nazerbad and Ittigepud.

The

The Hospital Assistant of
Erragere Dispensary to be
2. the Registrar of Lashkar.

The Hospital Assistant
of Old Agrahar Dispensary
to be the Registrar of Chama-
raj Mohalla.

Registrars for other Mohal-
las to be appointed. These,
if possible, to be medical
men, not lower in rank
than Hospital Assistants
of the 2nd grade - to get an
allowance of Rs 20/- per men-
sem (including the Plague
allowance) in addition to
their pay.

3. Under each Registrar,
Sub-Registrars to be ap-
pointed, the number varying
according to the extent of
the area or number of
houses under each jurisdiction
2 Sub Registrars for Nazerbad and Ittigegud
3 — do — Lashkar Mohalla
3 — do — Mandy — do —
2 — do — Krishnaraj — do —
2 — do — Chamaraj — do —
2 — do — Devaraj — do —
2 — do — Suburban villages.

The Sub Registrars to be
paid:-
1st Class 9 at Rs 10/-
2nd Class 4 at Rs 8/-.

Mysore Dy Commissioner's Remarks.

"In addition to the two midwives now attached to the Dispensaries, three Nurses would do."

4. Five Plague Nurses or, if funds permit five Midwives in addition to the two Municipal Midwives, now in work to be employed and one Midwife attached to each Mohalla.

5. The duties of the Registrars will be:

(1) to receive under the Epidemic Diseases Regulation, reports of all arrivals to, and departures from, their Divisions,

(2) to see sick cases reported,

(3) to control the movements of the people residing within their jurisdiction,

(4) to take necessary action in all plague cases, to register and certify all births and deaths, and in short to exercise all the powers now conferred upon and all the duties pertaining to the Ward Civil and Medical Officers.

The Sub-Registrars will assist the Registrars in maintaining the several Registers prescribed and do the duties now pertaining to the Supervisors.

The Midwives to be employed in observing and examining, when there is need, Goolia and other females that object

object to be seen and examined by men.

6. It shall be the duty of every house-owner or head of a family to report under the Epidemic Diseases Regulation at the Registrar's Office of the Mohalla or Division, he may be residing in, all arrivals at, departures from, sickness, births and deaths that may occur in his house or family.

7. Arrivals, departures and births should be reported within 24 hours; sickness and death immediately. A certificate of death must be obtained in every case of death from the Registrar who shall grant it, if necessary, after inspection of the body, with as little delay as possible.

8. The Registrar shall maintain in his office correct Registers showing particulars of people residing within his jurisdiction. These Registers shall be posted every fortnight from the information furnished by the house-holders, and that collected by the Sub-Registrars.

He shall maintain a Register of Births and Deaths and Sick cases as per forms accompanying.

A

Disinfection

1 Inspector on Rs 20/-
2 Gangmen " Rs 10/- each
18 Coolies " Rs 7/- each
Store Keeper, allowance Rs 10/-
Compounder on Rs 8/-
Peon on Rs 7/-

Plague Hospital.

1. First class Hospital Assistant Rs 60+20
1. Clerk on Rs 15/
1. Compounder Rs 9/-
3. Male Warders Each 12 Rs
3. Female - do - — 12 Rs
1. Male Toti — 10 "
1. Female Toti — 10 "
1. Vokkaligar Cook — 10 "
1. Lingayat Cook — 10 "
1. Brahmin Cook — 15 "
1. Sasal — 10 "
1. Dhobi — 8 "

A clerk and a peon should be given him.

9. Under ordinary circumstances, and when there are not more than six houses or so for disinfection during the day, the Establishment to be of the strength noted in the margin.

The strength to be temporarily increased as necessity arises. On the other hand, when, for any continued time, there is no house to be disinfected, the Disinfecting Establishment might be done away with altogether.

10. Under ordinary circumstances and when the number of patients is not more than 20, the Establishment to be maintained will be as shown in the margin.

As the number in the Hospital increases, however, additional men and women should be entertained in accordance with the wants.

When plague is severe and the number of the sick in the Hospital (is 30 and above) and the Contact Camp is large, a medical Officer not below the grade of a Sub-Assistant-Surgeon of 2 or 3 years

years standing to be placed in charge with a subordinate establishment equal to the necessity of the moment.

11. One Sanitary Inspector is not enough for such a big City. There ought to be at least two qualified and certificated Sanitary Inspectors under the orders of the Health Officer. The duties of the Sanitary Inspectors will be :-

(1) attention to road scavenging,
(2) attention to house drains and service connections.
(3) attention to the defects of public latrines and Urinals
(4) prevention of pollution of drinking water supply, tanks, reservoirs and channels,
(5) inspection of slaughter-houses, cow-sheds, stables &c.
(6) inspection of places where noxious trade and trades injurious to public health are carried on, and prevention of such trades,
(7) inspection of food stuffs in grain shops, sweet-meat and pakoda shops, native hotels, fruit bazaars &c.

Tying up of cattle in the living quarters, that is, in Courtyards and front and side and back yards of

Sanitation &c.

Suppose Deputy Commr's remarks

" This is not practicable unless

the

The Municipality undertake to construct extensive cattlesheds in different Mohallas"

Plague Commissioner's Remarks.

"The Municipality should move in the matter and build cattle-sheds to meet the requirements of one or two Mohallas"

"If the present regulation does not provide for this, power may be applied for and legislation suggested."

of inhabited houses should be prevented. Each Mohalla should have its own cattle-shed and place for collection of manure. No manure should be allowed to be stored within the town nor bratties (covering bratties) allowed to be prepared in the town. No lime-kilns or preparation of oil by the boiling process should be allowed in the town.

Dhobis and barbars should be registered and none of these two classes allowed to ply his trade for a fixed period or till the locality is pronounced free of infection by the Health Officer on the occurrence of infectious or Epidemic disease in his house.

The prevention of tying up of cattle and preparation of bratties will be no easy matter and may cause inconvenience and rouse opposition.

Means should be adopted therefore to take the headmen of the Agricultural Community into confidence and with their help effect the needful

Moreover the Construction of cattle-stalls stables and manure godowns will cost a lot of money. As however in the long run it will be greatly for

for the benefit of the Community in general, the amount may be spread over a couple of years or more and the needful get done.

12. To guard the Plague Camp, 8 Constables in charge of a Lance Duffedar will be permanently wanted, as thousands of Rupees have been spent on the sheds in the Camp and great care and watchfulness would be necessary to keep them from being damaged. To guard the Strong Room in the Ward Office, 4 Constables are required

Police Staff.

13. In addition to the above, during the prevalence of plague and at its height, police men for guarding the outposts, will be necessary.

14. A Police guard for taking charge of the property left in infected houses or handed over by merchants and others during the prevalence of plague in the City, will have to be entertained. This when occasion arises, might be of the strength shown in the margin.

1. Police Officer on Rs 20/-
8. Constables at Rs 7/- each.

15. Regarding the cost of the proposed Establishments, it is considered fair that the Municipality should bear the major portion of it

16. The entire cost of registration

of

of births and deaths should be paid out of Municipal Funds, as it is a charge properly debitable to these funds.

17. Half the cost of disinfection should be met from Municipal Funds.

18. The cost of the Plague Hospital should be met in ordinary times, from the Municipal Funds. The Government, however, may give help when plague rages and the cost of the Establishment rises high.

19. The Health Office Establishment, the Registrars and their Establishments and the Establishment attached to the Epidemic Diseases Hospital (Plague Camp) will be borne on the permanent lists.

20. A Statement showing the present and the proposed scales of Establishments is hereto appended.
